FIN-0016 - Quarterly Budget Report for FY25-Q3

Overview

This report provides a detailed overview of the budget allocated and spent for Project Sentinel during the fiscal quarter FY25-Q3. The project, managed under budget ID B-020, is currently on hold and was approved by Alyssa Day, Staff Engineer. The total allocated budget for this period was 1,685,915.00, with actual expenditures amounting to 505,774.5. The status of the budget is marked as closed following the completion of the quarter.

Budget Details

Description	Amount (AUD)
Total Allocated Budget	1,685,915.00
Total Spent	505,774.50
Variance	1,180,140.50

The variance indicates that the project spent approximately 30% of the allocated budget during FY25-Q3, leaving a significant remaining balance. The project remains on hold, and no further expenditures are planned under this budget cycle.

Expense Breakdown

The expenses incurred during this quarter primarily consisted of approved meal costs, with detailed amounts as follows:

- Jessica Smith: 2,471.00
- Stephen Mckee: 2,510.00
- Jessica Smith: 2,476.00
- Aaron Wise: 2,437.00
- Deborah Figueroa: 2,459.00
- Anna Henderson: 2,407.00

All expenses were approved and categorized under meals, reflecting the project team's operational needs.

Additional Notes

- The project, owned by the Customer Support department, was initiated on April 3, 2025.
- The project lead and approver, Alyssa Day, a Staff Engineer based in Melbourne, has authorized the budget closure.
- The vendor associated with Project Sentinel is identified as V-001.

- The project is currently on hold, which may influence future budget allocations and expenditures.

Conclusion

The FY25-Q3 budget for Project Sentinel under B-020 has been effectively managed, with expenditures well within the allocated amount. The budget is now closed, and the project remains on hold. Continued monitoring is recommended to ensure alignment with project objectives and financial planning.

Prepared on April 2, 2025.
