# FIN-0028: Vendor Spend Review for Wood-Hale

## Overview

This report provides an analysis of the current and upcoming contractual commitments with the vendor Wood-Hale, specializing in legal services. The review covers the financial expenditure, contract statuses, and renewal considerations associated with vendor ID V-002.

## Contract Summary

| Contract ID | Project ID | Contract Type | Contract Value | Start Date | End Date | Signed By | Renewal Status |
|---|---|---|---|---|---|---|---|
| C-002 | P-021 | MSA | 769,307.00 | 2024-06-22 | 2026-03-30 | E-102 | renegotiate |
| C-032 | P-009 | NDA | 316,849.00 | 2023-11-22 | 2024-11-24 | E-042 | auto_renew |

## Financial Analysis

The total contractual expenditure with Wood-Hale currently stands at **\$1,086,156.00**, comprising two active agreements:

- Master Service Agreement (C-002): \$769,307.00
- Non-Disclosure Agreement (C-032): \$316,849.00

The primary contract (C-002) is scheduled for renewal negotiations, with an end date of 30 March 2026. The NDA (C-032) is set to auto-renew, with its current term concluding on 24 November 2024.

## Variance and Outlook

Given the current contract values and renewal statuses, the following considerations are recommended:

- Initiate renegotiation discussions for C-002 prior to its end date to ensure continuity of legal services.
- Review the auto-renewal clause for C-032 to confirm if renewal aligns with upcoming project needs.
- Monitor any potential changes in scope or pricing that could impact future expenditures.

## Conclusion

Wood-Hale remains a key vendor within the legal services category, with contractual commitments totaling over one million dollars. The upcoming renewal period for C-002 warrants attention to secure favorable terms, while the auto-renewal of C-032 should be reviewed in the context of ongoing project requirements.

This document is intended for internal use to inform vendor management decisions and budget planning related to Wood-Hale.
