FIN-0029: Vendor Spend Review – Newman Ltd

Overview

This report provides an internal review of the vendor spend associated with Newman Ltd, a supplier within the Hardware Supply category. The review covers the contractual arrangements and project-based expenditures up to the current date, with a focus on the contract C-022 and the projects supplied under this agreement.

Contract Details

- **Vendor:** Newman Ltd
- **Vendor ID:** V-022
- **Contract ID:** C-022
- **Contract Type:** SOW
- **Contract Value:** \$1,099,304.00
- **Start Date:** 2024-11-24
- **End Date:** 2027-03-23
- **Signed By:** E-146
- **Renewal Status:** Expiring

The contract C-022 encompasses a total value of \$1,099,304.00, with the current agreement set to expire on 2027-03-23. The contract was signed by E-146 and is categorized as a Statement of Work (SOW).

Projects Supplied

Newman Ltd has supplied hardware for four completed projects, with details summarized in the table below:

Project Name	Project ID	Owner Department	Lead Employee	Start Date	Lead Name	Status
Project Quasar	P-018	D-08	E-127	2024-12-10	Michelle Evans	Completed
Project Xenon	P-025	D-09	E-148	2025-02-07	Stephanie Salazar	Completed
Project Basalt	P-029	D-09	E-142	2025-01-21	David Douglas Jr.	Completed
Project Fathom	P-033	D-10	E-160	2025-03-13	Jamie Smith	Completed

All projects have been successfully completed, with expenditure aligned with project timelines and scope.

Spend Variance and Commentary

The total spend on projects supplied by Newman Ltd under contract C-022 amounts to \$1,099,304.00. Notably, the projects led by Michelle Evans, Stephanie Salazar, David Douglas Jr., and Jamie Smith collectively contributed to this expenditure. The contract is currently nearing renewal, with an expiration date of 2027-03-23, warranting consideration for renewal or renegotiation.

The project "Project Basalt," led by David Douglas Jr., and "Project Fathom," led by Jamie Smith, represent recent engagements, indicating ongoing reliance on Newman Ltd for hardware supplies. The consistency of project completion and the total contractual value suggest a stable vendor relationship, although the expiring status of C-022 should prompt review of future procurement strategies.

Summary

- Total spend under contract C-022: \$1,099,304.00
- Number of projects supplied: 4
- Notable project leads: Michelle Evans, Stephanie Salazar, David Douglas Jr., Jamie Smith
- Contract renewal status: Expiring in near term, requiring action

This review underscores the importance of maintaining a strategic relationship with Newman Ltd, while also preparing for potential renewal negotiations prior to contract expiration.
