HR-0002: Performance Summary for FY25-Q2

Introduction

This document provides a comprehensive performance summary for the Department of Data & Analytics (Department ID: D-11) for the second quarter of fiscal year 2025 (FY25-Q2). It consolidates key performance indicators, employee review outcomes, and managerial assessments to inform ongoing personnel development and strategic planning. All information herein is confidential and intended solely for internal use.

Department Overview

The Data & Analytics department, led by Head of Department Jamie Arnold, is situated in Perth and operates under the cost center code CC-111. Jamie Arnold has been serving as the department head since June 10, 2022, and holds a salary band of L5.

Performance Review Summary

During FY25-Q2, the department underwent a series of performance reviews, encompassing managerial evaluations, peer assessments, and subordinate feedback. The reviews reflect the department’s overall performance, individual contributions, and areas for development.

Managerial Evaluation

Jamie Arnold received a rating of 4 out of 5 from Allison Hill, the reviewer and a senior manager within the organization. The review indicates a strong leadership performance with room for incremental improvements.

Employee Performance Ratings

The department's team members demonstrated high levels of performance, with all reviewed employees receiving top ratings of 5. Notably, several employees were considered for promotion based on their performance:

Employee Name	Employee ID	Reviewer	Rating	Promotion Flag	Comments
Tommy Walter	E-024	Jamie Arnold	5	No	Consistently excellent work
John Pierce	E-047	Jamie Arnold	5	No	Outstanding contributions
Megan Young	E-078	Jamie Arnold	5	Yes	Exceptional performance
Megan Orr	E-130		5	Yes	Significant impact

Employee Name	Employee ID	Reviewer	Rating	Promotion Flag	Comments
		Jamie Arnold			
Michael Lewis	E-056	Jamie Arnold	5	Yes	Leadership potential
Joel Williams	E-169	Jamie Arnold	5	Yes	High potential for advancement

Notable Observations

- The department's performance has been exemplary, with all team members reviewed by Jamie Arnold achieving the highest rating of 5.
- Multiple employees, including Megan Young, Megan Orr, Michael Lewis, and Joel Williams, have been recommended for promotion, reflecting their outstanding contributions during FY25-Q2.
- The review process underscores the department's commitment to fostering talent and recognizing high performers.
