Performance Highlights

- **Outstanding Performers:** Matthew Foster and Michelle Harmon received the highest ratings of 5, with both being recommended for promotion. Their contributions significantly contributed to departmental objectives.
- **Consistent Performers:** Brian Ramirez, Patty Perez, and Christina Walters achieved ratings of 4, demonstrating solid performance aligned with departmental standards.

- **Development Needs:** Jessica Callahan and Cheyenne Horton received ratings of 3, indicating satisfactory performance but highlighting opportunities for targeted development.

Summary and Recommendations

The FY25-Q4 review cycle reflects a department with a balanced performance profile. The high ratings for Matthew Foster and Michelle Harmon suggest strong leadership potential and valuable contributions. The department should consider tailored development plans for employees rated 3, such as Jessica Callahan and Cheyenne Horton, to foster growth and enhance overall team performance.

Further, continued monitoring of performance metrics and regular feedback sessions are recommended to sustain momentum and address any emerging challenges.
