HR-0018: Leave Report

Date: June 8, 2025
Classification: Confidential

Department Overview

The Facilities department (Department ID: D-12) is responsible for maintaining operational standards across the organization's physical infrastructure. The department is led by Lisa Hensley (Employee ID: E-013), who holds the role of Head of Facilities. Ms. Hensley has been serving in this capacity since her hire date on January 29, 2019. The department operates out of Brisbane and functions under the cost center code CC-112. As department head, Ms. Hensley oversees all leave approvals within her team, ensuring compliance with organizational policies and maintaining operational continuity.

Summary of Leave Records

This report provides a detailed overview of recent leave activities within the Facilities department, specifically highlighting leave requests approved for key personnel.

1. Shane Henderson

- **Leave Type:** Sick
- **Leave Period:** October 28, 2024 – November 1, 2024
- **Approved By:** Lisa Hensley (E-013)
- **Employee ID:** E-048

Shane Henderson's sick leave was approved by Lisa Hensley, ensuring that departmental coverage was maintained during his absence. The leave period spanned five days, from October 28 to November 1, 2024, aligning with organizational policies on sick leave management.

2. Lisa Hensley

- **Leave Type:** Annual
- **Leave Period:** August 1, 2024 – August 3, 2024
- **Approved By:** E-001
- **Employee ID:** E-013

Ms. Hensley's annual leave was approved by her manager, E-001, prior to her departure. Her leave lasted three days, from August 1 to August 3, 2024, and was scheduled to ensure minimal disruption to departmental operations.

Additional Remarks

All leave requests documented in this report have been approved in accordance with the company's leave policies. The leave records are maintained meticulously to support operational planning and resource allocation within the Facilities department. This report is intended solely for internal use and contains confidential information regarding employee leave statuses.

Conclusion

This leave report, designated as HR-0018, provides a comprehensive summary of recent leave activities within the Facilities department. It underscores the department's adherence to organizational policies and highlights the importance of proper leave management to sustain operational efficiency.

This document is issued under the authority of HR-0018 and is intended for authorized personnel only.
