3. Contract Details

3.1. Contract Scope and Purpose

The contract C-021 establishes a formal agreement with Guzman-Miller for the provision of recruitment services. The agreement is structured as a Master Service Agreement (MSA), facilitating ongoing service delivery within the specified period.

3.2. Financial Terms

The total contractual value is **727,187.00**, reflecting the agreed-upon remuneration for services rendered over the contract duration. The contract's financial scope aligns with the project requirements and vendor capabilities.

3.3. Duration and Renewal

The contract commenced on **June 2, 2024**, and is scheduled to conclude on **February 12, 2026**. The current renewal status indicates a need for renegotiation, suggesting that the parties are considering adjustments or extensions prior to the contract's expiration.

3.4. Signatory Details

The contract was signed by **Aaron Wise**, an employee serving as an Accountant within the organization. Mr. Wise's contact email is **aaron.wise@orbitalcorp.com.au**. His role and authority are consistent with the signing authority for contractual agreements of this nature.

4. Project Context

4.1. Project Overview

Project Sentinel is managed by the department with ID **D-10**, with project ownership led by employee **E-168**. The project budget is associated with budget ID **B-020**. Notably, the project's current status is **on_hold**, which may influence contractual and project execution considerations.

4.2. Project Timeline

The project officially commenced on **April 3, 2025**, and is currently on hold, indicating a pause in active progress or resource allocation.

5. Additional Notes

- The vendor Guzman-Miller specializes in recruitment services, aligning with the enterprise's staffing and talent acquisition needs.
- The contract's renewal process is pending, with negotiations to be undertaken to determine future terms.
- The contract amount and dates are exact and adhere to the initial agreement parameters.
