LEG-0010: Contract Summary for C-030

1. Introduction

This document provides a comprehensive summary of the contractual agreement identified as C-030, entered into between the organization and the vendor Johnson, Robbins and Abbott. The purpose of this summary is to outline the key contractual terms, scope, and relevant details pertinent to internal record-keeping and contractual oversight.

2. Contract Overview

2.1 Contract Identification and Type

The contract, designated as C-030, is a Statement of Work (SOW) agreement established for the provision of hardware supply services. The contract is classified as a formal, binding document that delineates the scope, deliverables, and obligations of the vendor.

2.2 Contract Value and Duration

The total contractual value is 1,228,148.00. The agreement commenced on January 23, 2025, and is scheduled to conclude on August 9, 2027. The contract is currently classified as "expiring" and is subject to renewal considerations.

2.3 Signatory and Authorization

The contract was signed by Jeffrey Johnson, the Product Manager, representing the organization. His email contact is jeffrey.johnson@orbitalcorp.com.au. The signatory's employee ID is E-164, and he is based in Perth.

3. Vendor Details

3.1 Vendor Information

The vendor involved in this contract is Johnson, Robbins and Abbott, specializing in Hardware Supply services. Their contact email is accounts@robbinsabbott.com.au. The vendor's ID is V-030, and their contractual engagement is explicitly linked to contract C-030.

4. Project Context

4.1 Project Details

The contractual engagement relates to Project Fathom, an initiative managed by the organization. The project owner department is D-10, with the project led by employee E-160. The project officially started on March 13, 2025, and has since been marked as "completed." The project budget is associated with ID B-033.

4.2 Project and Contract Relationship

While the project has concluded, the contract C-030 remains active and is associated with the hardware supply needs of Project Fathom. Notably, the project was initially managed with a different vendor (V-022), indicating a change in vendor engagement for hardware supply.

5. Contract Status and Renewal

The current status of the contract is "expiring," indicating that the contractual period is nearing its end. Consideration for renewal or renegotiation is advised prior to the end date to ensure continuity of services.

6. Summary Table

Attribute	Details
